

"GIRVIN Design is a fabulous group. Tim was instrumental in creating the Cucina! Cucina! Italian Cafe logo and overall "fun" Cucina! feeling. In addition, the Schwartz Brothers Restaurants logo is fabulous, as well as the work created for Chandler's Crabhouse and Fresh Fish Market. I can't remember ever working with a more talented group of designers. I would be happy to recommend their services to anyone seeking creative, new, dramatic, exceptional work. They're the best!"

Approach:

Owned and created by the Schwartz Brothers Restaurant company, Cucina! Cucina! is a lively, energized Italian restaurant chain that blossomed throughout the Pacific Northwest. Cucina! Cucina! came to GIRVIN to help them bring the brand's vitality to life.
